

# Certification Enrollment Form

**Please initial below , complete form and submit by fax or mail.**

\_\_\_\_\_ Yes, I'm ready to enhance my career as a document examiner by taking all 10 Proficiency Tests & undergoing the necessary verbal and written tests to become "Certified" by the world renowned USA based International School of Forensic Document Examination.

\_\_\_\_\_ I will invest the time that it takes to complete the Proficiency Tests. I understand that I must get a score of 80% or higher to receive "Certification."

\_\_\_\_\_ I understand that there is no guarantee that I will be accepted or I will pass the tests required in this program. I understand that only those individuals who qualify based on previous work experience, training, and an approved C.V. (Curriculum Vitae) will be allowed to go for "Certification" and take the Proficiency Tests.

\_\_\_\_\_ I am aware of the tuition cost for the Certification Program. By signing this agreement, I am legally bound to pay the full amount of the tuition whether or not I complete the Proficiency Tests, receive a Certification, or fail my Proficiency Tests. There is no refund, no training, and no tutoring offered as part of this Proficiency Tests & Certification program.

\_\_\_\_\_ I understand there is the option of taking the 2-Year Training through the International School of Forensic Document Examination and I am intentionally bypassing this training program because I believe that I have the skill-set and the professional training to pass the Proficiency Tests & qualify for Certification without taking the training offered here.

\_\_\_\_\_ I understand that I will receive 10 Proficiency Tests. These proficiency tests are not published online or electronically transmitted; and the original paper, instructions, and DVD content must be returned in good condition. I am solely responsible for any international shipping fees which might be incurred if I live outside of the United States of America. Therefore, I agree to pay extra for international shipping fees.

\_\_\_\_\_ I am aware that tuition for the entire Proficiency Tests & Certification program is \$3,000/ USD.

\_\_\_\_\_ I am would like to submit my application along with the \$50/ USD non-refundable application fee to see if I qualify for this program.
